

U.S. Serial No. 10/709,620

6

BOE 0450 PA

REMARKS

Examiner's Amendment in the Notice of Allowance dated October 3, 2005 has been carefully considered by Applicant and is generally deemed acceptable. To help facilitate clarity and general readability of the claims, however, Applicant has further amended independent claim 1 and also dependent claim 5 as set forth hereinabove.

In addition to amending claims 1 and 5, Applicant has also amended both dependent claim 6 and specification paragraph 0030 to correct a spelling mistake. In particular, the word originally rendered as "siemen" in both dependent claim 6 and specification paragraph 0030 is amended herein so as to be correctly rendered as "siemens."

In making such amendments, Applicant maintains that no new matter has been introduced into the present Application.

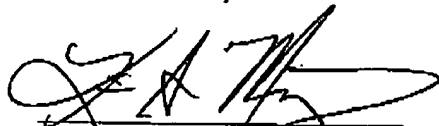

CONCLUSION

In conclusion, Applicant respectfully maintains that claims 1-3, 5-11, and 13-18, as selectively amended and presented herein, are still in a condition for allowance.

Should Examiner have any questions with respect to any matter now of record, Examiner is invited to contact Applicant's undersigned attorney at (248) 223-9500.

Respectfully submitted,

ARTZ & ARTZ, P.C.
